MEMORIES

The Homecoming Night we did the town
And then we tore the goal post down
We will have these moments to remember.

The quiet walks, the noisy fun
The games we played and usually won
We will have these moments to remember.

When summer turns to winter
And the present disappears
The laughter we have always shared
Will echo through the years.

When other nights and other days
Will find us gone our separate ways
We will have these moments to remember.

The clubs we joined, the plays we saw,
Assembly programs we'll recall;
We will have these moments to remember.

The vocal groups with music sweet
And Prom-night dreams we'll still repeat
We will have these moments to remember.

As graduation now draws near
Our seniors soon will leave.
The unknown roads await and yet
With open arms receive.

But when we end this perfect year
And future paths again appear
We will have these moments to remember.

OUR BELOVED HARDING HIGH.

HARDING ALMA MATER

Harding High School,
Our devotion
Grows with each succeeding year.
Proudly now we lift our voices
In a mighty cheer.
Harding High School, Alma Mater,
Old and Young repeat the cry.
Louder, stronger swells the chorus
Harding, Harding High.
Indian Mound sends back the echo
Rolling through the boundless sky.
Honor to thee, live forever,
Our beloved Harding High.

. . . how to say the right things about an individual when words are inadequate in describing her past record of service to community and school, of dignity and respect she has brought her profession, of kindly and humane performances which are her trademark, of love and tenderness she has displayed for her students and they for their teacher. To her students, past and present, Miss Lucile Foreman has emerged as a pinnacle of wise council and mature wisdom. Her friendliness, guidance, and efficient ways went hand in hand with her firm-but-fair-classroom manner. She constantly demanded and strove for the ultimate in educational attainment and achieved it with phenomenal success. To her colleagues she is recognized as a tireless worker and a leader in her vital field of education. Miss Foreman was Quiver Adviser 1921-1940; Quiver Junior-Herald Adviser 1921-1961; American Literature, Journalism, Speech teacher over 40 years; Director of Junior and Senior plays 25 years; and originator of the Harding Reporter. We hope—and of course we know—she will never forget Harding, for we ourselves will never forget "our Miss Foreman." The Harding Quiver dedicates this 1962 edition to you, Miss Lucile Foreman, author of the words of our Alma Mater . . . and our Friend forever.

HONORING MISS LUCILE FOREMAN

All days have grown to be a part of us,

A memory of youth that will not die,

Forever blossoming within our hearts,

Those happy, halcyon days at Harding High.

L.F.

S t a u n c h, enthusiastic F r i e n d s November 14 came from North, East, West, South to honor Miss Lucile Foreman at an extremely colorful dinner centered around a Pennsylvania Dutch theme. Orchids were in order for the grateful celebrant, and the talented toastmistress, Mrs. Maxine Green. Praises rang sincerely from many hearts as evidenced by former Principal A. C. May, Ohio Supervisor Teacher Certification.

Tribute

Mr. Darl Gatchell, Principal of Harding High School, is a man of varied interests and accomplishments. Upon graduating from Bucyrus High School, he entered Bowling Green State University where he earned a Bachelor of Science degree in education. After teaching one year, he enlisted in the Air Force, trained in meteorology and became a Second Lieutenant. As an officer he spent two years in Europe with the Ninth Air Force and attained the rank of Captain. Upon returning to civilian life, he taught and attended Ohio State University during the summers to attain a M.A. degree. In the Marion school system he has played a major role first as coach and teacher at Vernon Junior High; then in quick succession principal at Silver Street, George Washington, and Forest Lawn elementary buildings; Assistant Principal of Harding; and for the past seven years, principal.

Mr. Gatchell's sound philosophy of education is that opportunity for all young people to learn subject matter and skills to the best of their abilities throughout a twelve year program, should be provided. He feels that it is the duty of educators in America to provide an educational program which develops the varied talents of our youth in order to prepare them to be good citizens in the finest sense.

Principal Darl Gatchell at the controls any hour of the day or night.

ACTIVITIES

During our high school years, we acquire many souvenirs and keepsakes—corsages from homecoming dances, letter sweaters, class rings, but perhaps most important of these are the vivid remembrances engraved upon our memories. Delving into our many enduring memories, we recall the pleasant times spent participating in the numerous clubs at Harding. Certain clubs such as the Shoshonean secretaries, the D.E.C.A. retailers, and the V.I.C. industrialists combine fun and frolic with learning and practice of their chosen vocations. While in a reminiscent mood, we recollect that some of our friends who were in the FTA, the FNA, and the FEA were able to gain a deeper insight into possible professions. Among our treasured memories are the enjoyable plays produced by the Props and Q's and the impressive art created by the artistically inclined members of the Art Club. When listening to music, indelible remembrances of the Choirs, Concert Band, German Band, Orchestra, Stardusters, and the Ensembles tone our thoughts. Through our invaluable recollections, we receive the opportunity for entertainment and learning offered by the Tri-Hi-Y's and Hi-Y's. We also remember that our more intellectual acquaintances were presented an exciting challenge by the Joe Berg Seminar. As we travel along life's uphill road, our unforgettable memories are always at our finger tips ready to be summoned for comfort and inspiration or just for the sake of reliving our high school days.

STUDENT COUNCIL

Service is the motto at the Council book window—Salesmen Roush and Barnes make sure orders are filled accurately.

Every first and third Wednesday of the month found Bob Hill presiding over the Student Council as president. Ably assisting him were Vice-President Dick Merchant, Secretary Fran Hedgpeth, Treasurer Rick Ishida, the representatives chosen by each class, and the class presidents. Acting as advisers were Miss May, Mrs. Linscott, Mr. Shank, and Mr. Maynard.

These legislators effected their own program in addition to helping with others. Their varied activities included planning homecoming and decorating the throne for her majesty and court. At the beginning of the school year they supervised the registration of cars. Members also gave their cooperation in setting up the Teen-age Code. New to the school this year was the supply store run by the Student Council. As usual, they decorated the auditorium for Baccalaureate and the Coliseum for Commencement.

Student Council, the legislative body of Harding, successfully guided the entire student body through another rewarding school year.

Twenty-three students were chosen from Harding's entire student body to participate in a seminar. This seminar delves into areas of chemistry, biology, physics, and the humanities beyond the regular class-room level.

The members were chosen on their past achievements, recommendation of their teachers, and a test administered by a representative of the Joe Berg National Organization.

The students attend a two hour session held once a week. They listen to individuals who are not teachers, but are men or women of importance in the areas in which the students are studying.

Projects and papers presented by members necessitated a tremendous amount of research following inspiration given by outstanding guest speakers. Science Fair observers were fascinated as they received a layman's knowledge of realms from clouds to roots effected by radiation.

Dr. John Imbody has organized this lay group. Mrs. Reeser represents Harding and works with Dr. Imbody as co-director of the program.

ADMINISTRATIVE

Conscientiously Mrs. Coffman goes beyond the 3:20 bell researching for researchers.

Library Council

Coming from Florida this fall was Mrs. Florence Coffman who replaced the resourceful Miss Kathryn Moore, Harding's long time literary friend now living at Winter Park in the sunny South. Helping the new librarian to become acclimated were the friendly boys and girls who are the Library Council. Because of excellent cooperation between the literary head and the students, again the busy inspirational reading rooms swung wide doors to allow students, challenged by Bacon's quote, "Reading maketh a full man," to diligently search for knowledge. Her duty of giving invaluable counsel to every conscientious student kept petit, energetic Mrs. Coffman occupied from eight o'clock until four daily. Corridor showcases and library bulletin boards and shelves were artistic throughout the year because members thrilled with the opportunity to prepare displays. The Coffmans shared their Christmas hospitality at a seasonal party. Official librarians have been Marty Yannitell, Gary Sontag, Sharon Perry and Ruth Hollenback.

HARMONIZERS . . .

Office Assistants

If pedometers were worn by this crew that calls first floor offices headquarters, miles would be checked off during a day's work. Whistling is not corridor etiquette but with a swing in their steps the girls deliver pink, yellow, blue and white slips issued from the General Office, the Dean of Girls Office, and the Dean of Boys Office. Besides distributing these sources of fear or joy, efficiently do the femmes distribute lists, sort mail, show visitors about the building with an air of true Harding hospitality, and answer the ceaseless rings of the telephones with a musical note in their voices. Their taking charge of these time-consuming office chores allows Miss Pace, Mrs. Weston, Mrs. Rowley, Miss May and Mr. Geis opportunities to devote their energies and time to the multiplicities and complexities, routine and surprise. These unselfish services, rendered one period a day by each volunteer, add greatly to the efficiency of administrative centers at Harding.

FUTURE TEACHERS

"Teachers are born not made" is so true, but prospective teachers at Harding receive assistance through their senior chapter of the Louise Cunningham Future Teachers of America. Thursday morning meetings are punctual and parliamentary with capable advice from Mr. Gerald Emery.

Enlightening programs encourage members to enter a gratifying profession where they are badly needed. Miss Ann Trumbo told of the experiences of a new teacher, while Eugene Winters explained speech therapy. Secondary education was discussed by Cecil Gabler and a program on elementary education followed monitored by Miss Philomen Gregg. Harding's visiting students told of education in Germany, Japan, and Spain. A representation was sent to the F.T.A. State Convention in Columbus early fall; a worthwhile lab, Visitation Day, providing teaching experiences in elementary schools, occurred in the spring. Pleasant social occasions were the Delta Kappa Gamma Tea in March, and the annual F.T.A. Banquet in May. Official Coordinators were Gast, Holmes, Mitchell, Dunn, and Hedgpeth.

FUTURE NURSES

While attending their bi-monthly meetings on Wednesday, the future Florence Nightingales were presented enlightening programs concerning their chosen vital profession. The key opening the door to worthwhile information was a variety of impressive meetings and experiences. For a relatively small number of girls, there was a profitable opportunity to serve as "blue girls" at Marion General Hospital. In addition to informative movies and visually aided talks, there was a coke party in the fall which afforded opportunity for asking questions of girls who are in Nurse's training. A festive Christmas party was held at the home of the Medical Auxiliary adviser, Mrs. Albert Mogg. At a reception in Marion General, the Harding and Marion Catholic girls entertained Miss Irene Tinklepaugh and Mrs. F. C. Vogt as honored guests. Successfully guiding the club through a rewarding year were Maija Porietis, Barb Harmon, Marge Walker, and Barb Jones. Adviser Ruth Sloane kept the girls in training, giving conscientiously of her time.

Future Engineers at Harding hold the distinction of being the first F.E.A. club organized for high school students in the United States. In addition, its Constitution has been adopted by all the clubs. On every second and fourth Thursday the enthusiastic members listened to well-qualified speakers from plants around Marion, who spoke with skill upon their special form of this phase of science, or viewed beneficial movies secured through the efforts of local industries. Aside from the regularly scheduled meetings the future engineers went to GMAC in Mansfield and Battelle Institute in Columbus. Only one future engineer is designated in the Spring at the annual banquet sponsored by the local Professional Engineer Society but the present cannot reveal how many of the group have received the impetus to continue to study in this ever expanding field of learning. Scientists propelling the '62 club year have been Gary Clark, John Farley, Sharon Roush, Tom Umbaugh, Debbie Chapman, Orison Firstenberger and Burton Seider, with Harold Hazelett advising.

ORCHESTRA

While other students prolonged their "shuteye", wide awake members of the Harding Orchestra were hurrying to eight o'clock rehearsals. "Our Town" was given an authentic musical setting. Strains of their holiday choices were a Christmas treat via W.M.R.N. Musicians of strings and brass added splendid balance to the February Orchestra-Band Concert, and the Formal Musical May 10. Music went "round and round" for the Junior Class Play," the annual Assembly, and Commencement. Highlights of the Orchestra's year were their trip to Lorain, April 13 for the Buckeye Conference Festival; and the Banquet held January 29 when eligible members were proudly pinned as their admiring parents, who encourage them to practice and share responsibilities of the Parent's Association, applauded. Official responsibilities were "directed" by Musicians Blosser, A. Reber, Haldeman, F. Reber and Student Director Hammond.

Rehearse, rehearse, and re-rehearse! To members of Concert Band this becomes routine but not monotonous; musical discipline paid off at concert time. The community had a preview of the 1962 talent Christmas night as lovely strains of the annual recording came over W.M.R.N. Instrumentalists "noted" praiseworthily, for the February Pop Concert and the May Formal Concert. Students marched right through their schedules after the annual Band Assembly, and the Senior Assembly. The night of January 29 will be remembered for deserving seniors received their coveted band letters. Fremont hosted the Buckeye Conference March 30, where instrumentalists had a chance to play with other area bands. Another good experience was furnished members who hosted for the State Band and Choir contest, April 28. Official conductors have been Burton, Smith, Plough, Hammond, Toms and Student Director Todaro.

STARDUSTERS

To the familiar strains of their theme song, "Stardust," the curtains parted revealing a memorable show. This year Conductor Miller and his music makers dedicated their Annual Revue to John Elicker who, unfortunately, was unable to participate. Innumerable hours of practice preceded the excellent performance given by these rhythm makers at tea dances, service clubs, and neighboring school proms. At Edison, Baker, Taft, and Harding, the enthusiastic students, with deafening applause, demanded "More! More!" of the dance acts, solos, and singing groups. The Stardusters were one of the most well-received sounds around; this distinction deserved not only because of their playing merit but also because of their appearance—highlighted by red blazers and monogrammed music stands. As all good things must come to an end, the curtains again closed on another fine performance by the Harding Stardusters, who are thanked by the deafening ovations of well-satisfied listeners.

Maestro Miller doubts Tuke's musical I.Q. as he continues to interrupt.

Sandy, Judy, and Devonah professionally present tap, Charleston, and ballet.

Chancey, Sonny, John, and Linda on the "Sunny Side of the Street."

Harding's "east corridor gallery" reflects the worthwhile efforts of the young artists. Here Stan Flesher, Mrs. McNamara, and Audrey Frost examine results.

Ken Craig and Tom Hoover conscientiously endeavor to create original masterpieces with the chalk etchings before them.

ART GALLERY

Art Club proved to be an enlightening experience for its artistic members. In their studio and "east corridor gallery" are displayed the impressive creations of Harding's young brush guides. During the year informative lectures came to the eager ears of interested members. Painting mental pictures of an enthralling career were qualified speakers from different phases of art. Through these assistances the budding young artists were informed of such areas as interior decorating, advertising, and free lance. Also discussed were the requirements for a Bachelor of Fine Arts degree and the best universities offering the degree. As a field trip, the Junior Service Guild took fifteen enthusiastic members to the Art Museum and Art School in Columbus. This interesting experience provided the prospective artists with a deeper insight into art and artistic training. Vivacious Mrs. Sara McNamara has shared her talents with the club and cooperatively all have experienced a worthwhile year.

Amid the ghostly media of Halloween and changing countenances of clowns Connie Dickerson finds she is never alone.

Steve Philips and Ken Craig create a nautical atmosphere with an abstract fish.

PROPS AND Q'S

As the curtains parted, another production of Props and Q's went on stage. This year the curtains opened to reveal *The Christmas Guest* for Hardingites and *Why I Am A Bachelor* for the Pearl Street PTA. In addition to entertaining many people, these amateur actors and actresses furthered their own understanding of the theater by field trips. Some outstanding plays members attended with Mr. Webb, their chaperoning adviser were *The Skin of Our Teeth* at Ohio Wesleyan, and *John Brown's Body* at Otterbein. For their personal enjoyment a Christmas party and spring picnic were planned. Although not all members appeared in plays, they received invaluable experience behind the scenes. Dramatically leading were Sybil Aldrich, Judy Maddox, Sandy Gorenflo, and Margie Felton.

HARDING REPORTER

At 7:00 P.M. every Thursday Marion citizens again heard the familiar "This is your Harding Reporter." Coming to them over W.M.R.N. via M.H.H.S. control room, the Harding Reporter, presented Marionites with a summary of the week's news. As always, interesting events and sports were reviewed on every program by enthusiastic student announcers. Along with these unchanging topics were "specials"—interesting interviews with new teachers, excerpts from class plays, or special music. These informative programs produced with the able council of Mr. Webb, also enabled Marionites to gain a new insight into often misunderstood areas of learning at Harding. Only cooperation between the reporters headed by Frank Hedgpeth and Keith Bradt, head engineer Dick Henry, and Mr. Webb has enabled this program to, not yet capture an Oscar, but continue to tell of the progress of Harding High.

Fran and Keith are preparing another of the informative radio programs which broadcast weekly on WMRN.

HARDING HI-Y'S

Harding's Hi-Y, a service club for sophomore, junior and senior boys, enjoyed what could be termed a successful year with many varied and interesting programs. Informing the boys on college life was Jed Middleton and, in addition, a panel of girls offering their opinions on boys and dating. A few fine points of parliamentary procedure were discussed by Mr. Maynard. The 49th state was introduced by *Hunting in Alaska* and the movie *Signal 30* seen. Active part was taken in the Youth and Government program with Rick Huhn and Bob Hull chosen as representatives to the model legislature held April 27-28. Socially, the Hi-Y had no lack of good times. They held fall and Christmas dances and joined in preparation for the annual spring dance. The yearly World Service spring carnival was one of their philanthropic projects. Also in the spring was the week in which Easter devotions were presented. All considered, the boys enjoyed a full and satisfying year with a variety of activities.

Guiding the club as officers were Tom Turner, Dan McCormick, Tom Barnes, Jack Howser, and Rick Huhn.

Competently advising the boys for 1961-62 was Mr. John White.

SENIOR TRI-HI-Y

Senior Tri-Hi-Y'ers spent their final year in activities of worth and pleasure. Highlights of the year were the Rumor Clinic, the Hi-Y panel discussing the touchy topic of girls and dating, the thought-provoking movie *Signal 30,* and Mrs. Karl Feistkorn demonstrating ways to make your own hats.

Holiday service projects consisted of donating canned goods, clothing and toys to give a needy family's Christmas a more joyful touch; and participating in Pre-Easter services.

To make money, the girls took part in a girls' basket-brawl game, a car-wash, and selling programs at football games. Model legislature representatives were Debbie Chapman and Devonah Long.

The year was spiced with entertainment in many forms. Inevitable was the Homecoming Dance and the November hayride. February brought an evening with Dad at a father-daughter banquet. Ushering in Spring was the April Dance. A nostalgic farewell tea was the final meeting of Senior Tri-Hi-Y.

Guiding the year's many activities were Sharon Roush, Sybil Aldrich, Vicki Rish, Sarah Morgan, Linda Kirkbride, and Sheila McFarlin. The club was unprecedented in having mothers of two of the members as helpful advisers this year, Mrs. Ronald Rish and Mrs. Edwin Probst.

JUNIOR TRI-HI-Y

Guided by their theme "Aim High" and the council of their adviser Miss Helen May, the Junior femmes of the Y had an enjoyable, and fruitful year. Homecoming dance goers were refreshed because of the culinary efforts of members and sweethearts tripped the light fantastic amid colorful decorations placed so painstakingly. Joyously did they take the hayride in the fall and unselfishly did they prepare a basket for a needy family at Christmas time. Program-wise, Mrs. Marjorie Secrist gave sound advice on "preparing for Marriage;" the visiting students from abroad made members feel at home on their native soils; members lent their inspiration to the Pre-Easter services. Juniors too are in the "Know" now about their city for they joined the viewing public who see "Marion on the Go." Youth and Government inspired Michele Sands and Margaret Wood. Modern industry with its ups and downs became apparent to the girls as they visited a local plant. A precious gift was given each girl by Miss Lucile Foreman when she told in such a colorful manner "What Christmas Means to Me." Leaders have been Vickie Sue Fogt, Cindy Burns, Becky Krebs, Barb Fisher, and Sue Harden.

SOPHOMORE TRI-HI-Y

Sophomores of the Tri-Hi-Y followed in body, mind, and spirit as they planned their program for '62. Developing the theme of world service, the members fulfilled their community obligation. As program highlights, Patrolman Johnny Johnson stressed safety and Americanized Max Birnbaum revealed the evils of Communism. Other educational programs included viewing the movies "Marion on the Go" and "30 Seconds for Survival," and hearing panel discussion on "Girls." Resourceful members were praised for their colorful decorations at the Homecoming Dance, and sought after for their cookie recipes at the Sweetheart Dance. Fun at the Sadie Hawkins Dance defied description. Party time included a Christmas party, a Mother-Daughter Tea, and a pot-luck supper. Membership in this world-wide organization is aware of the founding scripture John 17-21, "That they all may be one; as thou, Father, art in me, and I in thee that they also may be one in us; that the world may believe that thou hath sent me." Leaders Sherry Rish, Carole White, Connie Sims, Trisha Haldeman, and Sandy Louck with their "motherly" advisers Mrs. Don Quigley and Mrs. J. C. Ballinger worked faithfully to inspire the girls to accept the challenge offered on this program, stressing service above self.

D.E.C.A.

"Education with pay" is an applicable description of the activities provided members of D.E.C.A. These future businessmen and women set alarms early so they can make eight o'clocks on time; they leave at noon for their jobs in various parts of town. A visual part of their education is the displays which each member plans and places in artistic array.

Club enthusiasts frolicked at times. Their Christmas party was a festive occasion especially colorful. The conferences held at Bowling Green and Columbus allowed fraternizing with members of other cities and learning much from visiting Decaites. The Spring Banquet always furnishes these future businessmen excellent opportunities to socialize with interested employers. '62 officials were McFann, White, Zeller, Finley and Mr. Sheskey.

The belief in doing a job well, being a good citizen and maintaining high moral and spiritual standards led members of the V.I.C. Club through a rewarding year. Their meetings offered a variety of well-rounded programs. At their Open House members demonstrated machinery and methods for onlookers. The club had time for fun at their Christmas party, skating parties, and the Senior's Employer-Employee Banquet. Field trips included a visit to Eaton Manufacturing Company, and the highlight of the year, a trip to the Ford Motor Company in Dearborn, Michigan. Most of the membership attended the Tiffin Regional Conference March 3. Jim Johnson and Norman Long took the tour of the state capitol buildings. The future industrialists who geared the club were James Johnson, William Kauble, Walter Carroll, and Harold Rorick. Mr. Moody was the sponsor, and Mr. Lisak, club adviser.

Print Club

In our growing world the demand for printed material is ever increasing and hence a growing demand for young men well-educated in the art of printing. It is the object of the Print Club to add knowledge of printing processes. The future printers experienced visual aids when they visited a Chillicothe paper manufacturer, a local print shop, and the Star office. Practical experience was added to their education by printing football and basketball programs, lunch tickets, and an unusual calendar as a Christmas gift to all Harding students. Official typesetters were Ronald Johnson, Noel Jerome, Jack Griffin, and Jeff Holtz. The Print Club is advised by Chief Printer Bernard Brooks, who encourages a businesslike atmosphere that produces a friendly cooperation for all school functions.

Shoshonean

Employers expect well prepared secretaries when they engage the services of members of the Shoshonean Club. During their meetings the girls cultivate the traits desired in an efficient secretary. Since all girls are in the co-op program they have an excellent opportunity to use the knowledge they gain at their meetings.

It isn't all work and no play for the future business women, however. The girls really enjoyed themselves when they went "trick or treating" for the sick children at the hospital. In December the club held a Christmas Party where the members exchanged gifts. The year climaxed with the May Employer-Employee Banquet.

Head secretary President Janet Weller was assisted by Carol Gillespie, Sandy Barrick, Diana Henry and Mr. Dunlap.

Marion Harding Machine Shop Juniors have facilities that rate tops in vocational training areas and give excellent opportunities for industrial vocations.

MACHINE SHOP

Tom Jolliff jubilantly distributes tools to Dana Roberts from the tool crib.

Preparation, Planning, and Practice. This is the procedure followed in the machine shop. Each day enrollees spend three periods in learning how they proceed and the direction they will follow to operate the machines; four periods practicing what they have learned about such complicated machines as the lathe, shaper, drill press, and welder. After the future machinists capture the fundamentals, they initiate a project for the year. The boys blueprint their own venture in the classroom and then prepare each piece for their apparatus in the shop. Many of the enthusiastic apprentices spend a great deal of time working on their projects after class. Two of the projects developed this year were a motor-driven hack saw and an air compressor.

Harding is proud of the outstanding achievements of the machine shop. The program facilities are rated with the best in Ohio. An emphasis on safety has prevented any lost time due to accidents for several years. Graduates with this education have had very little trouble in finding jobs as apprentice tool makers, machine operators, junior draftsmen, technicians, and future supervisors.

The skilled craftsmen who guide these young apprentices through their two years of apprenticeship are Instructors Neimeister and Moody.

Nursing sick cars back to health is no easy task as boys in the auto shop know well. The juniors aspiring to become mechanics begin their year by learning basically how the automobile works. When this has been mastered, the boys commence to expand their knowledge from booklearning into practical knowledge in the shop which is provided with several old cars as well as some cars Harding students and teachers bring in for repairs. By the end of the year these apprentice mechanics can overhaul an automobile engine, reline the brakes, and change a gasket. Seniors in the auto shop participate in the co-op program. Valuable experience is gained by working in various garages around town during the morning and returning to classes in the afternoon. Seniors spend their class-room time learning about the intricacies of the electric system and the carburetor. Mr. Slack, who is the instructor for both auto shop juniors and seniors, makes sure the boys constantly maintain good safety habits. These future mechanics not only learn a trade but also the necessary factors of good citizenship. They spend two periods a day in English and history courses. While in the shop they learn courtesy, accuracy, and efficiency as well as a future vocation.

Dean Frazier exhibits his skill at testing antifreeze as Mr. Slack looks on approvingly.

JUNIOR ACHIEVEMENT

Early in October, eight new manufacturing companies were organized in our fair city, under the sponsorship and tutelage of local industries. Junior achievers sold stock to friends and family to raise a working capital. When these young salesman completed this necessary transaction they turned their attention to still another need of industry—Board of Directors. Each company chose a name, elected officers, and selected their product. "Headline divide-getters" were radio speakers, ash trays, convalescent tables, and game boards. The programs furnished variety on every hand—some J.A.'ers acted as buyers, some figured finances as bookkeepers, while others worked as laborers, on small scale assembly lines. Day after day these ambitious salesmen rang doorbells for orders, and delivered them after business hours. At the close of the school "business year" each company measures its success as it liquidates its stock, repays its shareholders, and "pays off its staff." Success is measured not only in green backs here in these ventures but, as is so often said—"Experience is the best teacher." Companies this year and their helpful sponsors were: Whirlwood and J. A. Mosaics, Whirlpool; Powerbuilt, Marion Power Shovel; Eatoneers, Eaton Manufacturing; Sawnsew, Pollock Steel; Telefans, General Telephone; Triwood, Quaker Oats; and Junior Fairfield Enterprisers, Fairfield Engineer. Dancing climaxed the evening at the Awards Banquet held in May when recognition was given to members for participation and companies for performance.

HARDING

ATHLETICS

Throughout the year we recall the still fresh memories of the exciting late afternoon and nights spent anxiously watching the rising scores of Harding and her opponents. In the fall we began the school year with cross country and football. Remembering the thinclads and the red-and-white clad players breaking the tape or darting across the goal line for the touchdown that won the game, we relive the joy and triumph felt those cool, crisp evenings. Urged on by Harding's enthusiastic cheerleaders, the boys on the gridiron strive to bring highest honors to their school. With the coming of snow and ice we end the outdoor participation with the Harding hoopsters taking their places on the gym floor. We remember the joy reflected by the faces of the winning team and the sorrow mirrored by those of the losing team as a skilled cager sinks another ever-welcome basket. Along with the energetic boys on the floor, we recall seeing and hearing the Pep Club in red and black led by the cheerleaders cheering the boys on to victory. However, again with the change of the season we recall a change of sports as the cindermen take their places on the track. Among our unforgettable recollections are the honors bestowed upon Harding by the boys on the baseball diamond, the racquet squad, and the golf team. Upon seeing a boy proudly wearing his letter sweater we remember our own high school days in '62.

FLEET-FOOTED THINCLADS

Strategist Somerlot maps the Mar-O-Del Course with Co-Captains Strickland and Turner and Top-runner Collins.

Once again Marion's cross country squad has done honor to Harding High School with its outstanding performance.

While doing their usual fine job the boys rolled over nine opponents in ten outings. The thinclads also won the district title and placed 8th in the state competition.

Hershel Collins set a new course record of 9:35, bettering his own mark of 9:50 set last year. He also ran 1st in the district meet at Bowling Green and 5th in the state meet at Columbus. Top runners receiving letters were co-captains Bill Strickland and Tom Turner, Dan McCormick, Bob Hill, Bill Smith, Hershel Collins, Jerry Chandler, John Dunnan, Bob Halberstein, Darrell Collins, Mike Green, Al Rowley, Al Kochheiser, Oral Bourque, Sam Queen and Mike Thatcher.

This years mum sale netted $842.

YARD GAINING GRIDDERS

Marion Harding has become well-known throughout the state within the last few years for its bruising football squads. This year the Prexies once again tied with Sandusky's Blue Streaks for the Buckeye Conference championship.

Under co-captains Bob Holmes and Orison Firstenberger, the Presidents compiled a record of seven victories and three losses. The team gained 2933 yards and scored 266 points while allowing 106. Bob Holmes, the squad's leading ground gainer, rushed for 804 yards. Albert Henson and Ernie Robinson shared the scoring honors, each with 76 points.

Although the team worked well as a unit, certain individuals earned additional mention. Dan Henderson, Albert Henson, Bob Holmes, Rick Ishida and Gary Pearch gained berths on the All-Buckeye Conference 1st team offense while Jim Benjamin, Orison Firstenberger, Ernie Robinson, and Tom Sampson were selected for the 1st team defense. Jerry Northup, Gary Snyder, Jon Wilson, and Gary Wolf made the 2nd team. Jim Benjamin and Bob Holmes landed on the All-Ohio second team while Rick Ishida and Dan Henderson received honorable mention.

Recalling with appreciation their selection by the Press for All-Ohio honors are hard hitting Gridders: Tackle Ishida, End Henderson, Halfback Holmes, Tackle Benjamin, and Quarterback Robinson.

Introducing morale boosters and equipment hustlers Managers Harold Rorick, Marv Schilling, Tom Hoover, Dick Henry, and Albert Wylie.

Behind a team is much more effort than is visible on the surface. The extensive conditioning through which Coach Riesen put his charges certainly paid off on the gridiron. Assisting Mr. Riesen were Harding coaches: Beach, Waits, Rock, and Forshey as well as Junior High coaches: Bob Beidler, John Steward, Dick Brown, George Korpi, Herb Tillett, and Norm Lipster.

Although they are not in the spotlight, Managers Marv Schilling, Harold Rorick, Tom Hoover, Mike O'Dowd, Albert Wylie, and Dan Powelson do a great deal to coordinate the team.

Harding's Booster Club, headed by President Dan Day, once again rendered invaluable service to the sport in Marion. A week previous to the season's initial game Jimmy Crum, WLWC sportscaster, served as master of ceremonies for the annual football clinic. The guest speaker at this year's Awards Banquet was Clive Rush, head football coach at University of Toledo. "Learn to take advice" was his challenge to the men of the gridiron. A '62 innovation of the Boosters was the presentation of plaques and trophies to Harding athletes who won state acclaim, not only in football but in all other sports furnishing competition for Prexies.

THE RED AND BLACK

Dear old Harding High keep us steady,
When the battle comes we're ready,
We are looking for a chance, Nothing can stop
our advance
Ev'ry time the fight begins.
Fighting with a spirit undaunted,
Never with a fear we're haunted,
We will strive to win the best, We will always
pass the test
Harding's courage always wins.
Hail! Hail! to Harding High Our song is ringing,
Red! Black! Our colors fly, Glory to them bring.
Fight! Fight! For victory, This is our cry,
Honor forever be to Harding High.

Having already played at the State Fair, Food and Fun Festival, and Marion County Fair parade, September found Harding musicians parading on the blacktop from six until eight every Wednesday night preparing half-time shows for the gridiron. Formations were taken to Lorain and Findlay; a representative band because of limited funds traveled to Sandusky; Band Night and International Spectacular, featuring visiting seniors from abroad, made musical memories. Besides the six home shows the red and black marchers entertained at the Columbus Colts' game. As usual they added musical color to the Hallowe'en and Christmas parades, and participated in the Harding Pilgrimage. National spotlight was turned on their performance at the dedication of the Pennington Reserve Training Center. Socially they silenced musically as they enjoyed a swimming party and picnic at Lincoln Park, the annual Band and Orchestra Dinner late January, and the bizarre party ending the season. The Band council, composed of fifteen selected representatives, is the governing motivating power for this musical group. Band managers Steve Fretz, Barbara Young, and Barbara Caldwell busily kept the Band marching. Planning novel formations and unique routines in musical sessions are Directors Lane and Miller; drilling precision steps with patience is Martha Douce.

CELESTIAL

Queen-aspiring finalists Nancy Parlette, Alice Reber, Devonah Long, Sharon Sloane, Connie Uncapher, Fran Hedgpeth, Joanie Holliday, Beth Holliday, Linda Jessie and Hope Snyder evidence poise as students mentally mark ballots in homecoming assembly.

Queen Joanie and attendants Sharon, Fran, Connie and Beth inspire sale of beautiful mums.

Robert Holliday proudly places Joanie's crown, expressing the admiration of her "Harding subjects."

At half-time of the Toledo Scott game, Homecoming Queen Joanie Holliday, and members of her radiant Court, Fran Hedgpeth, Beth Holliday, Sharon Sloane, and Connie Uncapher with stars in their eyes were literally up in the clouds as their fathers escorted them into the crown formation of the Harding Marching Band. In her heart warming acceptance speech Queen Joanie sincerely thanked all who had been part of planning this memorable evening, and cordially extended an invitation to her open house, celebrating not only her queenship but also her seventeenth birthday. After being serenaded by Don Burton singing "The Sweetheart of Harding High," Joanie and her fashionably attired Court gracefully retired to their throne of honor where they inspired the second half of the game. Between the gridiron contest and her festive open-house, Queen Joanie reigned over the annual Homecoming Dance, with the theme "Fall Fantasy," staged in the lunchroom, beautifully decorated in a fall motif.

CELEBRATION

Escorts for the Queen and Court; Jack Howser, Keith McFann, Bob Hill, Tom Miller, and Gary Wolf; with dignity reign o'er socialites as they "trip the light fantastic" smiling bravely regardless of gridiron defeat.

Patient efforts find rewards as festivities prevail in "Holliday" atmosphere.

CHEERLEADERS

Leading the Harding rooters in cheering the Harding Prexies onto victory are Judy Conley, Beth Petrich, Connie Sims, Marilyn Altmaier, Sharon Sloane, and Joanie Holliday.

PEP CLUB

Excitement, suspense, and tensions of games on the Prexie hard court are illuminated by these one hundred and twenty-one girls wearing white gloves, and forming a red H with a black background. These enthusiasts not only encourage players, coaches, and fans but assist the Booster Club in its annual membership drive. Sun-up practices are held each Tuesday and Thursday at eight o'clock. At these A.M. sessions Junior Row Captains and Senior Executives teach the cheers and songs on the weekly agenda. Row Captains check attendance and appearances of the girls in their domain; the executive committee motivates the activities of Row Captains, and generates pep for the club in general. Miss Pat Prewett supervises all these feminine supervisers.

PEP BAND

Providing musical entertainment for the pep assemblies and also between the halves of Prexie games on the hard court is the spirited assignment of the Harding Pep Band. Marches filled with athletic fervor such as found in the "Red and Black," and "Across the Field" of Ohio State's Scarlet and Gray, are familiar theme songs. If pepometers were worn as these musicians strike up the band, they would certainly have a record registration, for here is Pep spelled with all the capitals. These twenty musicians, under the direction of the "gesticulous" Mr. Miller, and selected for their ability, enthusiasm, and attendance at games, set the tone of victory not only the afternoon of a game but also carry excitement from Reserve Games to Varsity Contests with their musical merrymaking. Talents and musicianship are demonstrated as a number of routines are worked out with the Pep Club. These volunteers practice after school and desire that rooters have just as much enthusiasm.

Coach Dan Baker accomplished a great deal in his first year at the helm of the Prexy cage machine. While many expected a mediocre season from the boys, he refused to comply and by working diligently moulded a "team." Coach Baker accomplished what no other Harding coach has ever done; he produced a team which brought Marion a Buckeye Conference Championship in basketball. However, such accomplishments aren't unusual for the coach. This is shown by his past achievements, among which is a state championship team. Baker's ardent support of team play is best shown by his philosophy: "Five can beat one any day."

Of course, much credit is due to members of the squad who worked unselfishly to capture the fine season record of thirteen wins and six losses.

To launch the season, the Prexies stunned Lima Sr., Lima Central Catholic, and Newark before falling to Sandusky. Following a victory over Tiffin Columbian and an upset by Findlay, the squad downed Galion, Fremont, and Lorain in succession. After a stinging defeat by Elyria, the Prexies dumped Sandusky and Findlay before falling to Newark. Next followed a victory over Fremont, a loss to Mansfield Sr., and wins over Lorain Sr., Elyria, and Ashland. The season came to an abrupt halt when the Presidents' tournament hopes were dashed by an upset-minded Upper Sandusky team. The Prexy cagers shared the conference crown with Findlay, Elyria, and Sandusky. All four teams had 7-3 conference records. The statistics reveal that the squad scored 1124 points for an average of 59.2 per game and allowed 971 points or 51.2 per contest. The boys connected on 415 of 1016 shots from the field for a 39.2 field goal percentage. From the charity stripe they scored 266 points on 466 attempts or 57.3%. In loose balls the tally ran Smith 80, Hall 67, Rowley 59, Sampson 41, Miller 31, Henderson 30, Wilson 15, and Merchant 11.

Although it was team work which brought about the fine results, certain individuals deserve additional mention. Bill Smith led offensively and defensively with rebounds and assists to set the pace in that department. His accomplishments gained him a +126 efficiency rating and a berth on the Buckeye Conference First Team. Alan Rowley led all scorers with 280 points and was selected for the All-Conference Second Team. Tom Miller and T. J. Sampson led in field goal percentage. Miller also received a trophy for his 75% accuracy at the foul line.

Coach Al Beach's reserve squad came on strong after getting a slow start to compile a respectable 11-7 record.

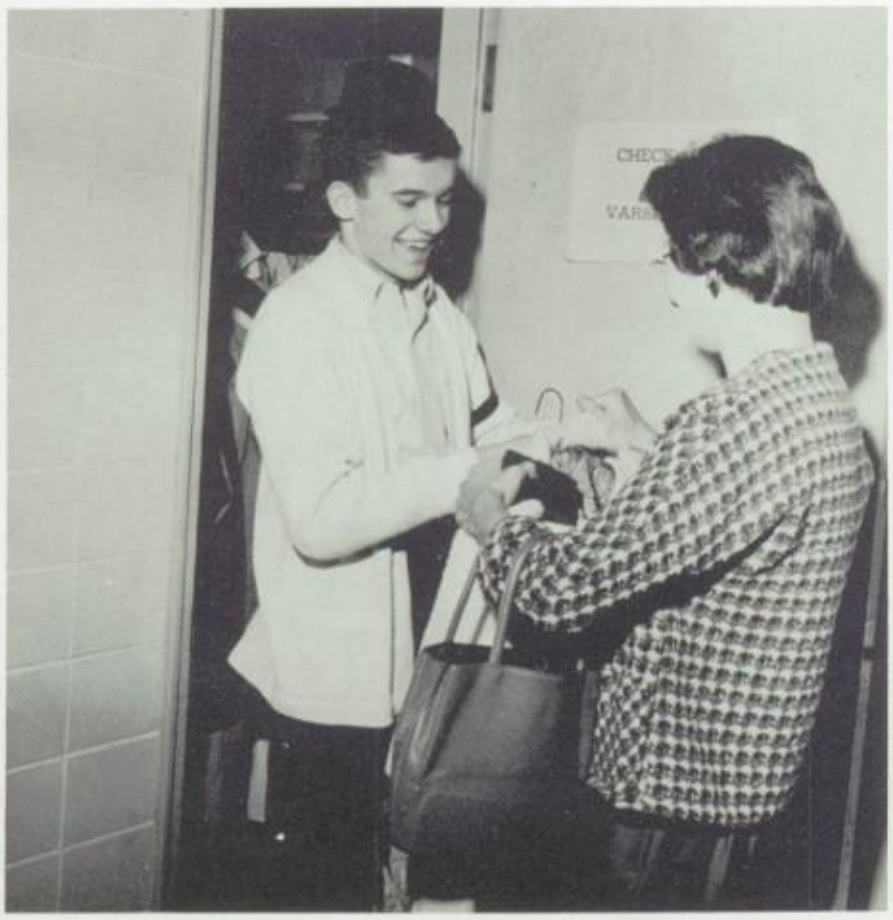
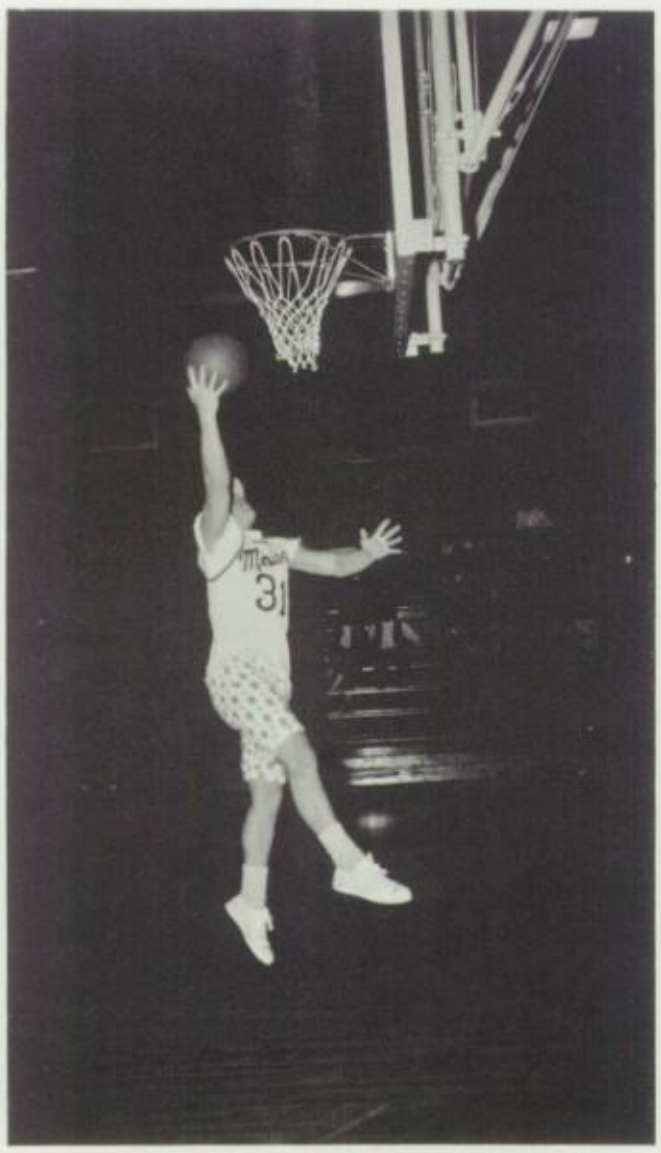
VARSITY H



INTRAMURAL

Despite a snow storm which cut down the attendance, the spirits of spectators and participants were not dampened for the two exciting games played on Intramural Night, March 5. The size of the crowd was no indication of the enthusiasm shown by the O'Rourke Government classes who successfully staged an intensive ticket sale.

Even though the sophomore All-Stars coached by Roger Pfeiffer and Dan Roseberry, put up a valiant fight, the larger Junior team under the direction of Bill Smith and Tom Miller scored a 42-29 victory. The faculty team, paced by Coach Norm Lipster of Edison Jr. High and Mr. Geissler, downed the Senior All-Stars, coached by Mr. O'Rourke, by a count of 50-21. The game was colorful to say the least, but disappointing for the Sr. All-Stars.



NIGHT

PORTRAITS

As sophomores, among our memories, are the election, homecoming, and Starduster assemblies. We will never forget the thrill we experienced as we were enchanted by our first Homecoming Dance. We recall how worried we were because of the dreaded exams. In addition, we recall our confused feelings of elation, fear, anxiety, and apprehension as we received our first call slip.

As juniors, we recall that our "middle" year offered many new experiences. For the first time we tried being junior chemists, sometimes with odoriferous results. We recall that, amid much stage-fright and joy, we produced our class play, our first attempt in the world of drama. Surrounded by the understanding smiles of upperclassmen and the envious looks of underclassmen, we proudly displayed our brand-new rings. As another first, we remember how thrilled we were by the excitement of the long-awaited Prom.

As seniors, we remember how our last year vanished altogether too rapidly. Of course, there was Career Day, Starduster Assembly, and the Exchange Students assemblies; but a new experience presented itself in B.I.E. Day. We recollect an onset of fervor as we were caught up in a whirlwind of such exclusively senior activities as ordering name cards, invitations, caps and gowns. At the Senior Breakfast and Senior Dance we displayed our stylish clothes and conversed vivaciously. A commanding air of solemnity was prevalent in the Baccalaureate and Commencement exercises, challenging us to look forward with faith to the future.

COLOR COMMITTEE—Selecting the two colors for the sophomore class are L. Vermillion, T. Holloway, K. Klingler, and A. Splete.

RING COMMITTEE—Chosen to select the two rings for the class to decide between are J. Bartrum, K. Speck, S. Logas, M. Altmaier, and R. Hodges.

Committees

FLOWER COMMITTEE—Representing the class for the selection of the class flower are D. Hamilton, J. Marshall, G. McGuire, Mrs. Linscott, S. Louck, J. Tennent, and C. Lister.

SOPHOMORES

Think back, sophomores, to your days in junior high school when your class officers were Wendy Ward, Trisha Haldeman, Lynda Hedgpeth and Mickey Brady at Baker; Douglas Shuck, Carolyn Stevens and Connie Sims at Edison; and Kay Ballinger, Gary Sontag and Emmalia Logos at Taft, each gaining experience for leadership in high school and later life. Baker struggled and won football and basketball crowns in competition with Taft and Edison. Upon arriving at high school, however, we united to become Hardingites, comprising the largest class ever to be initiated as sophomores. We elected as our class officers John Lodwig, president; Karen Martin, vice-president; Lynda Hedgpeth, secretary and Elaine Hurst, treasurer to guide our class in this new experience. Serving actively on Student Council were Trisha Haldeman, Lonnie Lane, Kaye Parker, Peggy Shirk, Douglas Shuck and Richard Splete. Diligently, students worked on class motto, flower, and color committees. Our active classmates participated in Props'n Q's, Sophomore Tri-Hi-Y, Hi-Y, Harding Reporter, and of course, athletics. With the red rose as our class flower and the class colors royal blue and white, we progressed through our sophomore year directed by the motto, "Aim Today for Wisdom Tomorrow," echoing in our minds.

Presenting the 1962 Sophomore Officers: Treasurer, Elaine Hurst; Secretary, Lynda Hedgpeth; Vice-President, Karen Martin; President, John Lodwig.

Introducing the 1962 Junior Officers: President Alan Rowley, Vice-President Russ Hamilton, Secretary Pam Williams, and Treasurer Bob Murphy.

Executives

Obsolete are the days of doing everything for the first time and now are the days spent in perfecting ourselves for success as seniors, and finally as adults. Guided by Alan Rowley as president, Russ Hamilton as vice president, Pam Williams as secretary and Bob Murphy as treasurer, the junior class faced many challenges and met them victoriously. College-bound juniors were initiated to the inevitable round of tests, and many students participated in the worthwhile American Field Service program. Members of our class were chosen by American history teachers to be Harding's representatives at Boys' and Girls' State, while those with journalistic abilities were selected to *Quiver* and *Harding Herald* staff positions.

Many middle classmen creatively labored on Prom arrangements and decorating committees in preparation for this long anticipated and thrilling event. Other exciting occurrences of our junior year were receiving our class rings, the proud symbol of the class of '63, and presenting our class play *Around the World in Eighty Days,* evidence of timely space travel.

With teal blue and pure white as our colors and a pink carnation our flower, we are progressing determinedly with our motto "We shall find a way, or make one."

Looking for a way to make a better year for the Middlemen is Junior President Alan Rowley.

SENIORS

Looking back over our high school days, we discover that we have instilled a book of everlasting memories into our minds. As a beginning "to make the class of '62 so very outstanding that it will long be remembered," we, as Sophomores, united under the leadership of Neal Hall, Debby Chapman, Fran Hedgpeth, and Linda Black. With their guidance and encouragement we chose the white rose as our flower, royal purple and pure white for our class colors, and "To be rather than to seem" as our motto.

Following our Sophomore year, on another page of our book of memories, our Junior year is recorded. Our "middle" year kept us occupied and excited with its memorable firsts: we received our class rings, attended our first prom, and presented our first play, *The Rugged Road.* Guiding us through these thrilling activities were Neal Hall, Frank LaSeta, Fran Hedgpeth, and Beth Holliday.

After successfully passing through our Junior year, we realized that we were now participating in our Senior year, perhaps the most important page in our book of memories. More experienced, we produced *Our Town* as our play, and, of course, Homecoming, the Prom, Baccalaureate, Graduation, and our innumerable friends will be cherished forever in our memories.

Introducing the 1962 Senior Officers: President Dan Henderson, Vice-President Frank La-Seta, Secretary Fran Hedgpeth, and Treasurer Connie Uncapher.

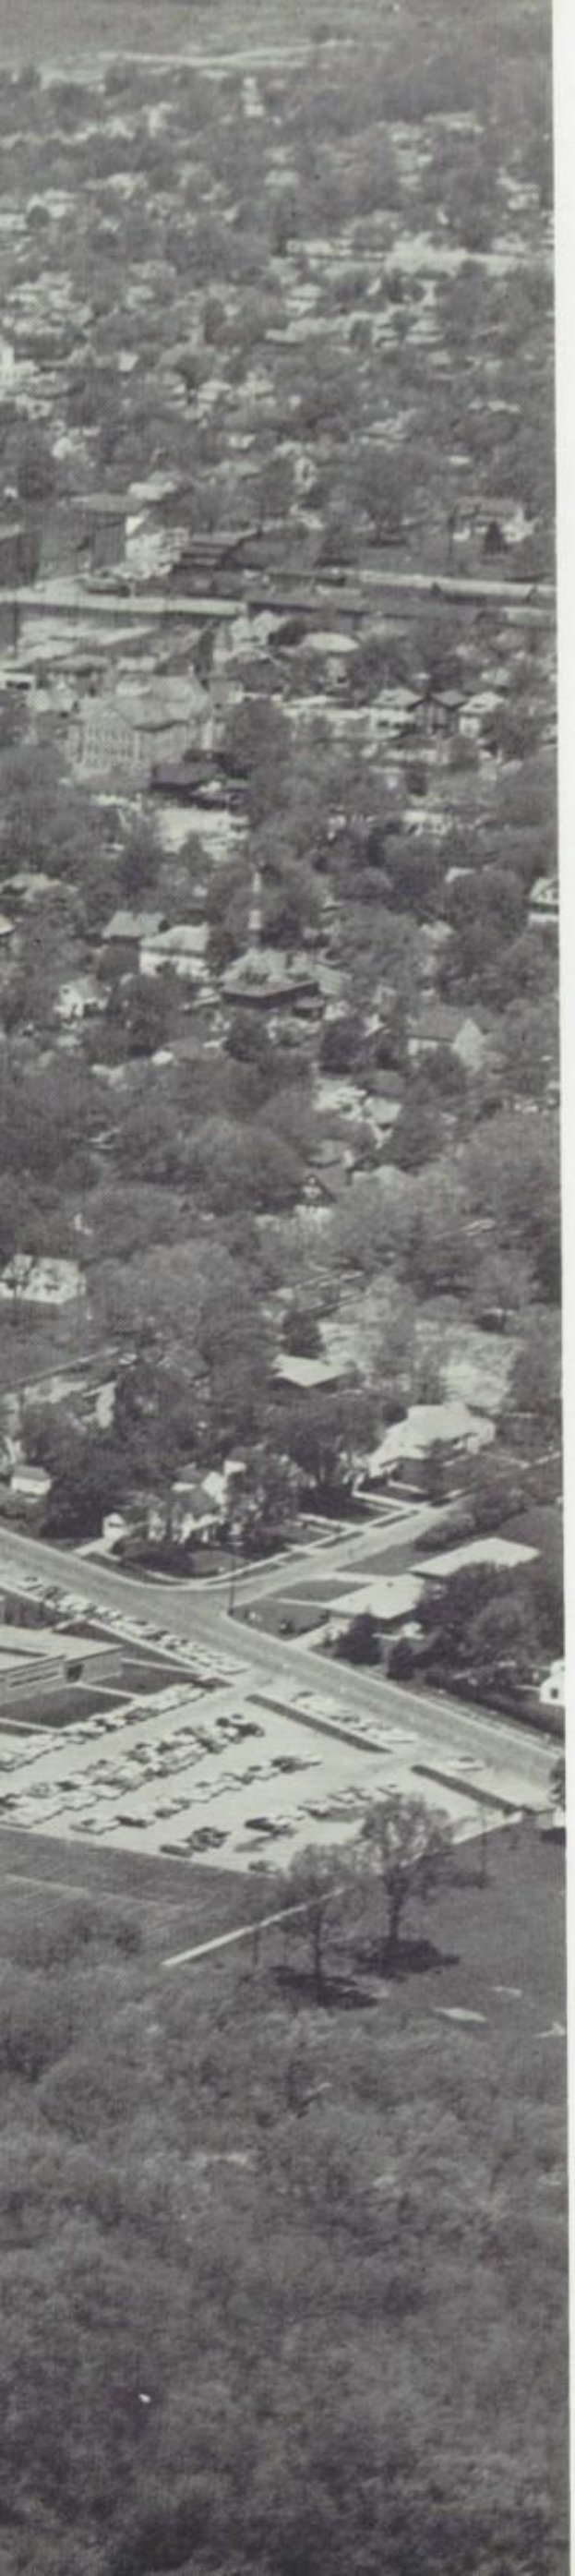
ONOR



CONTRIBUTORS

As all the Quivers of previous years have done, this Quiver, too, serves the important purpose of helping us relive vicariously part of our memorable high school days—the year of 1962. Because the Quiver's recorded memories will always be at our finger tips for a moment of tender reminiscence, we can recapture the enchantment and excitement of '62. Along with reminding us of old memories, the Quiver helps us to recall those teachers and classmates we almost forget. As the Quiver refreshens these, we wonder who has made this invaluable book possible. In addition to the contributions made by the parents and the price charged the students, the Quiver's main source of support is advertising. The cooperation of local merchants and businesses, along with their interest in tomorrow's leaders has enabled the 1962 to be solvent. As readers consult their annual to recapture memories of the Alma Mater opportunities will be evident of the generosities provided by Marion business to encourage us. The Quiver will continue to play an important role in our lives—the role of linking the past to the present.

WHICH LINE IS LONGER?

There's really only one true test to make sure. That's through observation. And, one of the basic reasons for attending school is to learn the techniques of observation . . . to develop an inquiring attitude . . . to make the right choice more often than not.

Of course, the above example is easy to figure out. But, what happens when the problem becomes more complex . . . when the test is, let us say, "which is better, Capitalism or Socialism?"

Who will be in position to make the better choice? The young man or woman who made high school an intellectual challenge? Or those who drifted along waiting for graduation? The answer is obvious. Don't lose sight of it.

CONGRATULATIONS . . .

CLASS OF 1962!

Graduation—the end, and the beginning—an important turning point in your lives. The future is waiting for you—we have every confidence in your abilities to make it a very bright one.

Best wishes for continued success from your friends at . . .

The Beginning or the End

At Commencement time, we honor the young men and women who have completed their high school education.

We would hope, however, that you accept commencement as a beginning rather than the end of something.

For graduation from high school is really the beginning of your adult lives. You must learn to meet new challenges and accept heavier responsibilities.

By endeavoring to do your very best, whether it be in furthering your formal education, in your chosen career, or meeting your community responsibilities, you will find success and happiness.

We add our best wishes to the Class of 1962.

ADVERTISING . . . *sparkplug of our economy*

Nowhere else in the world is advertising used so effectively as in the United States; nowhere else is there so high a standard of living. That is more than a coincidence.

Advertising helps make mass distribution possible: that in turn calls for mass production. Mass production and distribution togetner employ most of us. And they generate the prosperity on which all of us depend.

A Final Note

And so concludes our book of memories. Whether you have leafed through it hurriedly or stopped to examine the contents of each page, we hope you are not disappointed in what you have seen. We have endeavored to capture the significant memories of '62, which we hope will hold the meanings for you that they do for us.

This book would not have been possible without the inestimable cooperation and assistance of Miss Lucile Foreman, who with such an interesting life gives us the privilege of dedication; S. K. Smith Co. and its representative Ralph Benz who aided in planning our cover; Wm. J. Keller Inc. and its representative Jack Landry for priceless assistance in the compiling and final printing; Hughes Studio—John Rall, and All for unending services and lasting patience; the Marion Star who gave us innumerable action shots; W.M.R.N. with its helpful publicity; our dedicated advisors, Miss Mary Jo Stafford and Miss Susan Canfield, rendering services far beyond the call of duty; Our Principals and their secretaries who contributed much time and effort toward the completion of this annual; the faculty, who with patience and understanding put up with our tardiness when crises arose; the many students, not recognized as staff members, but who added their invaluable services; and most of all you, the students of Harding, who provided the most important contributions of all—the memories of '62.

Your '62 Quiver Staff and Editors
